

Dapper Dog Clients

Please note the new belonging limitations for boarding:

- 🐾 No bowls – (We have plenty of clean bowls for your pet 😊)**
- 🐾 Blankets – 1 per pet (only if it can fit in a washing machine)**
- 🐾 Bed – 1 per pet (only if it can fit in a washing machine)**
- 🐾 Toys – 2 per pet**
- 🐾 Pre-measure/bag food or put in a smaller container/Ziploc with just the amount your pet will need for their stay.**

Due to the busy schedules, we do not have the storage to store big bags/containers of food, big beds, and lots of belongings. This cuts back on misplacing items you bring, it also helps with storage. We encourage you to bring treats/rawhides for your pet, however, please limit the amount to only what your pet will need for their stay.

If this is of any inconvenience to you, we can feed your dog our kennel food for the price of \$1.50 per dog, per day. However, we do recommend you bring your own food so your dog does not have a change in their diet.

Thank you!
